

OGDEN DEPARTMENT

MAJORITY VOTES FOR POWER PLANT SALE FOR T. D. JOHNSON

Riverdale Plant Will Change Hands Unless Minority Takes Further Action.

Special to The Tribune.

OGDEN, Aug. 24.—By a vote of more than two to one, the stockholders of the Davis & Weber Canal Company, in meeting here today, decided to sell the new Riverdale power plant to the New York Electric Bond & Share Company for \$250,000, the price originally offered by the company and which was refused two weeks ago. Of the 3949 shares of stock represented at the meeting, 2883 were voted in favor of the proposition and 1063 against.

Several of the prominent stockholders of the canal company are among those who fought the proposed sale of the plant and the matter may yet into the courts before the deal is finally consummated. The decision was reached on the first ballot at a late hour this evening, after a stormy session lasting all day.

When the sale of the plant was opposed at the meeting two weeks ago, a committee composed of P. A. Dix, J. W. Jensen and W. H. Wilcox was appointed to make a thorough investigation and report today in the course of which the committee reported that the plant and the power it would produce would be a great asset to the stockholders. The committee also reported that the plant was a great asset to the stockholders.

It was represented by the committee that the plant was a great asset to the stockholders. The committee also reported that the plant was a great asset to the stockholders.

They were also of the opinion that a net profit of approximately \$132,000 was preferable to an annual income which might be less than \$10,000 and, at the same time, take the chance of opposing the proposed combination of electrical interests which seems to be the plan of the New York company. As indicated by the vote, a majority of the stockholders concurred in this decision.

OGDEN VETERAN DIES.

John D. Malan, 67, first Italian convert to Mormonism, is summoned.

Special to The Tribune.

OGDEN, Aug. 24.—John D. Malan, 67, aged 80 years, and the first resident of Italy to be baptized as a member of the Mormon church, died at his home, 2543 Monroe avenue, at 4:30 o'clock this morning. Death was due to inflammation of the bowels from which he had suffered only since Thursday.

On June 23, 1832, Mr. Malan was born at Piedmont, Italy. It was in 1851 that he was baptized in the river Anagnina as the first convert to Mormonism in the mission which had been established by Lorenzo Snow. In the same year of his baptism, Mr. Malan joined a party of Mormon emigrants who came direct to Utah.

After coming to Utah, Mr. Malan resided for a time at Brigham City. He served at one time in the Mormon militia and the invention of a new system of shorthand were among his achievements. Mr. Malan is survived by five children and two grandchildren.

The funeral will be held Monday with services at the Fifth ward chapel at 2 p. m. The body will lie in state at the family home between the hours of 3 and 5 p. m. tomorrow and from 10 a. m. until 1 p. m. on Monday.

MAKE GOLD STRIKE.

Efforts of Years by Well-Known Ogden Men Finally Rewarded.

Special to The Tribune.

OGDEN, Aug. 24.—After nineteen years of prospecting and tunneling, a party of Ogden men who are interested in the development of the property three miles east of Ogden City, have apparently opened up a strike which has indications of rewarding them for their persistent efforts. A. T. Hestmark, one of the Ogden men interested, has just received the assayer's certificates on three samples of ore which show values as high as \$48 in gold, \$38 in silver and almost 30 per cent copper. The samples were taken at the face of a 115-foot tunnel on the Twin Pine claim.

During their experiments the Ogden men have driven 142 feet of tunnels. Others who are interested with Mr. Hestmark in the proposition are Dr. E. M. Conroy, C. R. Hestmark, J. O. Woody, William Everett and David Shields, the latter being in charge of the work.

SHOW LITTLE INTEREST.

Few Women Attend Meeting for Reorganization of Republican Club.

Special to The Tribune.

OGDEN, Aug. 24.—Not more than a score of women attended the meeting which was held in Judge N. J. Harris' courtroom at the county building this afternoon for the purpose of reorganizing the Women's Republican club of Weber county. The absence of a definite understanding as to which side of the Republican question would be favored by the organization is said to have kept down the attendance. Those present successfully evaded a declaration of principles and the club is generally conceded to be a Taft organization.

The new officers elected today were: President, Mrs. John E. Bagley; vice president, Mrs. Anna E. Bailey; secretary, Miss Eva C. Eide; treasurer, Mrs. Emma Jensen. A vote of thanks was tendered the retiring officers. Those released from their official duties were Mrs. Jennie Nelson, Mrs. E. Chidester, Mrs. Reese Howell, vice president; Miss Genet Bingham, acting secretary, and Mrs. Annie M. Farr, secretary.

In response to the message that his wife had died suddenly yesterday, Mr. Edison received the sad announcement upon his arrival in this city from Salt Lake last night, but was unable to proceed to his home until this morning. In addition to the husband and two small children survive Mrs. Edison. The message received by the husband contained no detailed information concerning the general board of the association. He left her in perfect health but a few days ago. The body probably will be brought to Ogden for interment.

Expect Big Attendance.

OGDEN, Aug. 24.—The Mutual Improvement association convention of the Weber, North Weber and Ogden stakes in this city tomorrow probably will attract more general church officials to this city than have assembled here for many months. Among those from Salt Lake who will attend the sessions are President H. B. Roberts, Matt Thayer, Stella N. Adwell and Ellen Wallace of the general board of the association. Three meetings will be held during the day sessions at the Weber academy morning and afternoon and an evening meeting at the tabernacle.

Heavy Fine Assessed.

OGDEN, Aug. 24.—George Allen, the strikebreaker who was found guilty by a jury of threatening to shoot James Schalk, a striker, was fined \$100 by Municipal Judge W. H. Reeder this morning. Allen's attorney gave notice at once of his intention to appeal the case to the district court. The testimony taken during the trial showed that Allen had threatened to shoot Schalk and his family. The striker refused an introduction to Allen and the latter drew a revolver, threatening to kill Schalk.

OGDEN, Aug. 24.—Although competing with all of the principal hardware companies of the intermountain region, George A. Lowe company of this city was awarded the contract for all of the pipe and fittings to be used in the installation of a waterworks system at Brigham City.
